TASTING NOTES

Blackberry jam and raspberries provide exotic aromatics that follow deliciously on the palate. Mouthcoating blackberry liquor, toasted almonds and pink peppercorn flavors are surrounded by a backdrop of dried apricots. WINEMAKER'S NOTES

A tremendous amount of effort goes into creating Pure Red. With so many different components finding the right combination of flavors and intensity can be both challenging and rewarding. An oak treatment was applied during fermentation, with a follow up treatment prior to "bottling". This results in a softer more approachable wine in its youth and balances the lush fruitiness of the style. Pure Red is made with Certified Organic Grapes, No Sulfites Added, Vegan.
