

BADGER MOUNTAIN

CERTIFIED ORGANIC VINEYARD

2010 Cabernet Sauvignon

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

TASTING NOTES

Friendly and forward aromas of freshly baked bread that has been smothered with berry preserves. These juicy flavors continue on the palate and are joined by cola, cherries and nutmeg. A bit of eucalyptus arrives delicately wrapped in vanilla ice cream. All of these flavors linger patiently long after wine is gone. Perfectly bold (but not too much) packed with wonderful fruit flavors and sweet tannins.

100% Certified Organic Cabernet Sauvignon

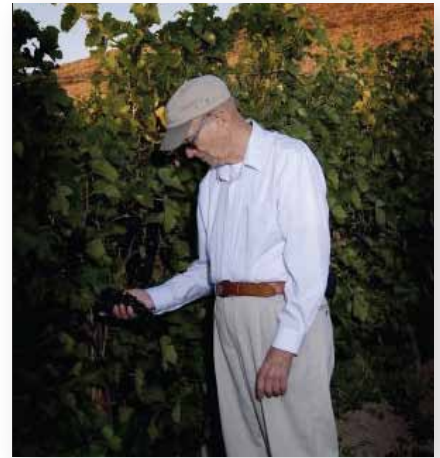

100% Rivercrest Vineyard Cabernet Sauvignon, Columbia Valley

WINEMAKER'S NOTES

The harvest of 2010 seemed to linger forever. The Cabernet Sauvignon from Rivercrest Vineyard was harvested on November 3, 2010. While the brix showed a perfect 24.7 we had to be patient while the TA fell. The grapes completed malo-lactic fermentation in tank with pris de mousse yeast. The lot was transferred into neutral French oak barrels for 6 months. It was bottled on June 13, 2011 and released on August 1, 2011.
