Kennewick, WA, September 15, 2009: Badger Mountain & Powers Wineries are forming their first wine club in answer to the requests of their loyal customers seeking their fabulous wines. Memberships will be available at the winery in Kennewick, WA on September 26th and 27th during their crush celebration. Membership is free and offers many discounts.

At least one member's only event a year will be planned for the club. "We'll also provide tasting notes, food and wine pairing suggestions, recipes and news of the vineyard and winery to personalize the member's experience," says Tasting Room Supervisor, Nancy Fussner. The new wine club members will be getting two bottles of wine four times a year including Winemaker Greg Powers' exclusive limited release vintages.

"Our customers seek us out for our Organic, and No Sulfite Added (NSA) wines," says Fussner. The two wineries offer over twenty quality wines ranging from \$9 to \$15 with the Powers Reserve wines ranging from \$25 to \$35. They are well known in the Tri-Cities for their Powers Muscat Canelli, NSA Riesling, box wine, and Organic Port. The Powers Syrah and Estate Chardonnay are also offered on Royal Caribbean Cruise Lines. The tasting room is open daily from 10 to 5.
