

**POWERS**

**2012**

**Kiona Vineyards**  
Reserve Cabernet Sauvignon

This wine has a great depth of complexity on the nose, with decadent aromatics of black cherry, blackberry, coco, and cassis that has a nice touch of spice and earthiness. The flavors feature dark dense layers of blackberry, plum, and cassis balanced with elegant acidity. The fruit carries the structure with a fine dusty texture that lingers into a long finish with firm, but refined tannins.

A commitment to Quality, Sustainability, and Value
