

POWERS

2013

Cabernet Sauvignon

Mouth-watering layered aromatics of black berries, black currant, plum, eucalyptus and a touch of vanilla on the nose. The 2013 vintage has distinctive Cabernet Sauvignon flavors that also include blackberries, molasses, with a touch of pepper and clove on the palate. With a great mouthfeel that is very balanced with supporting structure, the finish is medium in length with fine but sturdy integrated tannins and great acidity.
