

# POWERS

2015

## 3L Chardonnay

On the nose this wine has great layered aromas of pineapple, fresh banana, nectarine, a nice balanced touch of lemon and coconut that leads into rich layers of fruits and melons on the palate. Rich flavors of pineapple, lemon, Pomelo grapefruit, and green melons sit on a nice edge of minerality and acidity that is balanced with a touch of richness that lingers on the finish.

A commitment to Quality, Sustainability, and Value
