**Viognier**

Pretty aromatics of ripe pear, stone fruits and honeysuckle with a touch of grated ginger on the nose, this wine is very fresh and balanced on the palate. Nectarine and white peach slowly give way to a touch of mineral and spice, offering flavors that are layered, bright, and slightly savory. This Viognier has a beautiful mouthfeel with a great refreshing touch of acidity that keeps it balanced on the dry finish.

A commitment to Quality, Sustainability, and Value
